

A Venn diagram consisting of three overlapping circles. The top circle is light blue with a blue border and contains the text 'Statistical Graphics'. The bottom-left circle is light yellow with a yellow border and contains the text 'Computer Vision'. The bottom-right circle is light orange with an orange border and contains the text 'Information Graphics'. The intersections between the circles are shaded: the intersection of the top and bottom-left circles is light gray; the intersection of the top and bottom-right circles is light purple; the intersection of the bottom-left and bottom-right circles is light orange; and the central intersection of all three circles is a darker shade of orange.
